OUR SUSTAINABILITY JOURNEY

Responsible Cotton Sourcing

Where we can, we source cotton that has been grown organically, using less water and without toxic pesticides.

Reusing Plastics

The recycled polyester in our garments comes from post-consumer raw material, like plastic bottles.

Better Packaging

We are reducing the amount of packaging for our products and use recycled solutions where we can.

Social Compliance

The people who make our garments work in factories that are audited to ensure ethical, social and environmental standards a maintained.

Memberships & Associations

We are a members of Better Cotton™ and also support Fairtrade® farmers by purchasing their cotton.

Community Engagement

It's important to us to give back, which is why we donate and sponsor charities that benefit the communities where our products are made.

Shared Values

We always strive to do better and encourage our supply chain to champion our social and environmental values.

For more information about our sustainability journey, visit our website, www.premeirworkwear.com/sustainability

What's new for 2024?

Swap & pop with colour

How can you create hundreds of different looks with one apron? Simple; we split it into two. With 20 shades of neckbands and waist ties, and 10 apron body colours, there are 200 different colour combinations to play with. That means there's no need to go bespoke to get your brand colours. Swap & Pop is the quick and simple way to kit your staff out in aprons that look custom made, but without the hefty price tag. Add branding and personalisation and the possibilities are endless. We wonder why we didn't think of it before!

Our recipe for success

Life in the kitchen is like a pressure cooker. Chefs told us they wanted 'cooler' garments in every sense of the word. So we've cooked up a stylish new range designed in lightweight, recycled fabrics that look and feel great to wear. Perfect for chefs who care as much about what goes into their uniform as they do about the provenance of the ingredients in their dishes.

The pocket you've been waiting for

Love our PR151 waist aprons but can't live without the pockets in the PR158? We've designed a pocket into our classic apron shape to give you a brand new PR141 Pocket Waist Apron. A bright idea that's available in recycled polyester and six of your favourite shades from the 'Colours Collection'.

Crafted for artisans

Our PR181 'Artisan's Choice' apron is tailored with soft lines, rounded edges and finer straps with metal eyelets and a double pocket. A beautiful apron cut from strong canvas that you can style your way - as a full bib or folded down to a neat half apron.

Recyclight® microfleece

For 2023, we've also introduced an exciting new range of Recyclight® full and ¼ zipped microfleece. Warm and lightweight, the 100% recycled polyester fabric is anti-pill and incredibly soft, making it ideal for the widest range of applications. Just add an embroidered logo for the perfect finishing touch.

Ethical and Environmental Policy

People, Production & The Planet

Ethical Production

Our manufacturing facilities and supply chains are certified by some of the world's leading organisations. This allows us to monitor and assess workplace standards by working closely with our suppliers to encourage continuous improvements.

Product Certification

Selected products carry certifications to back up our sustainability claims.

Initiatives & Associations

We are Members of Better Cotton™

We also support Fairtrade® Farmers by purchasing their cotton.

ARTISAN APRONS

We've taken Artisan style beyond rustic charm, to a chic, contemporary look that reveals the textures and weaves of the premium fabrics.

Organic denim. Waxed look cotton. Faux leather trims. Our exciting collection of Artisan style aprons are easy on the eye - and even easier to wear. From the soft lines and curved edges of our 'Artisan's Choice' apron, to the kangaroo style pockets and adjustable metal buckles on our Jean Stitch Denim aprons. Quality garments that are well made and hard wearing to create an inspirational look.

▪ Gun metal/antique brass eyelets

▪ Can be worn as a waist apron

▪ Rounded edges create soft lines

CHEFSWEAR

WE'RE READY TO TAKE YOUR ORDER

For 2024, we've spiced things up in the kitchen. Chefs spend hours creating exceptional dishes from the finest ingredients, so we turned the tables and asked them what ingredients they need to succeed. The result is new uniform choices that celebrate the sheer brilliance, creativity and determination of chefs.

We started with technical Coolchecker® fabrics that wick away moisture and offer maximum comfort and durability. Then we added the kind of attention to detail that we know chefs love. Like zipped chef's jackets with a clever collar loop to contain apron straps.

Comfortable cargo inspired pants together with slim fit and denim options. Plus all the pen pockets, under arm vents and press stud fastenings chefs need to put in a gruelling shift.

Get ready to order.
