# BETTER

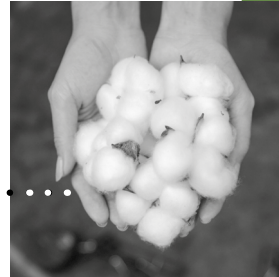

## BETTER PACKAGING

Since 2021 we have reduced single unit plastic packaging and increased the amount of recycled content within these units.

## BETTER SOURCING

The recycled polyester and nylon in our garments comes from pre- and post-consumer materials which are certified to the Global Recycled Standard (GRS) or the Recycled Claim Standard (RCS).

The organic cotton we source is certified to the Global Organic Textile Standard (GOTS) or the Organic Content Standard (OCS).

## BETTER TRANSPORT

We are striving to improve the way we import our goods into Europe and are working with key transportation partners to monitor and reduce the CO<sub>2</sub> levels we produce. We will always choose sea freight as our preferred method of transportation.

## BETTER ENGAGEMENT

It's important to us to give back, which is why we donate and sponsor charities that benefit the communities where our products are made.

In partnership with the Jaago foundation, we sponsor a class of 40 children at the Jaago School Banani Branch in Bangladesh.

## WHY WE'RE COMMITTED TO BETTER

By introducing better materials and processes into our supply chain we minimise the impact on the environment.

We are forward-thinking and fashion conscious, whilst working to be as environmentally responsible as we can be.

As a business we recognise and embrace the need for change in the industry and are very excited about the developments within our company.

# What's new for 2025?

Refresh your front-of-house style and wow your guests in 2025. Add a splash of colour with aprons in up to 62 shades and discover new styles made with recycled polyester so you can make a better choice.

Our beautiful new 'Clip & Clasp' Cross-Back Apron takes pride of place in our Artisan Collection. Boasting excellent craftsmanship and design, with attention to detail through every stitch, this apron will be treasured by its owner. With faux leather detail, metal eyelets, riveted pockets and a strong canvas material made from a recycled polyester-cotton blend.

Over in the kitchen, the modern chef will welcome our long and short sleeve 'Essential' Chef's Shirts. Casually styled with a banded neckband and mandarin collar and made with our Coolchecker® fabric, guaranteeing a moisture wicking and breathable performance. These styles are made from 100% recycled polyester to champion your sustainability values.

Chef's Anti-Slip 'Anchor' Clogs mean the team can now dress from head-to-toe in Premier. Clogs are favoured by catering teams who spend a lot of time on their feet and need a comfortable solution. Lightweight with an anti-slip, shock absorbing sole to grip tiled floors, they are available in five dual sizes with a wide fit for extra comfort.

**"A focus on plus sizes means more people can choose to look good and feel great in a Premier uniform."**

We've expanded our best-selling poplin shirts collection to include a men's and women's long sleeve style made from a recycled polyester-cotton blend. These shirts boast the same great easycare properties as our classic poplin but are constructed in a slightly heavier weight and have a more fitted shape. Our poplin collection remains the industry's favourite with styles in up to 17 colours.

All our styles are designed to be decorated, so speak to your local uniform supplier who will be able to personalise with print or embroidery embellishment to enhance your look and create a sense of professionalism.

# ARTISAN APRONS

**Discover a collection of aprons designed to reflect the artistry and craftsmanship of artisan producers.**

Beautiful fabrics embellished with antique brass and gun metal trimmings. Creative stitching creates practical pockets, whilst earthy tones provide a neutral base to build-out the rest of your uniform.

Within this collection you will find quality aprons made from organic and recycled materials to help tell your sustainability story and create an inspirational look.
