Regatta Professional Measuring Guide
The fit of your clothes depends on the cut/style and design of your garment. Our garments will vary in actual size as we allow for ease of fabric over the body. Measure your body accurately to determine what size clothes you would be best buying.

A CHEST:
Measure the chest at the fullest part placing the tape under the arms.

## B WAIST:

Measure around the waist at the height at which you would normally wear your trousers.INSIDE LEG:
Measure from the crotch to where your trouser leg is normally worn at the ankle.
